Sub: Request to conduct A Three Day Workshop on "PYTHON PROGRAMMING" -Reg

Dear Sir,

We would like to take this opportunity to invite you as a Resource Person to conduct A Three Day Workshop on "PYTHON PROGRAMMING" in Department of EEE From 25/01/ 2020 to 27/01/ 2020 for II& III- EEE Students.

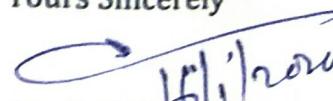

To strengthen our student's fundamentals& to develop their exposure to the practical world outside, we need people like you to interact with our students, thereby sharing your precious knowledge.

We would be highly honored if you can spare time from your busy schedule for the sake of students.

Looking forward for your approval.

Thanking you Sir,

Yours Sincerely

Dr. Shaik Rafi Kiran

A Report on Workshop on

“PYTHON PROGRAMMING”

(25/01/ 2020 to 27/01/2020)

The Department of Electrical & Electronics Engineering conducted a Workshop aiming the II& III-Year students of EEE with the determination to enhance their technical knowledge in the field of power systems.

The event was conducted in Placement Seminar Hall. On this event around 70 students of III B.Tech in Electrical and Electronics Engineering department of SV Engineering College are participated. The event was started sharp at 10:00 A.M.

As a part of this, the speaker S.Ramamamurthy addressing students spoke about how a power grid operates and what are the challenges that the power system is facing. He also added the possible ways of solutions.

Overall the event was very successful and at last the guest honored with a memorandum on behalf of SV Engineering College.

Dear Sir,

We would like to take this opportunity to invite you as a speaker to conduct Seminar on "Recent Trends and Technologies For Innovations" in Department of II-EEE on 15-07-2019.

To strengthen our student's fundamentals& to develop their exposure to the practical world outside, we need people like you to interact with our students, thereby sharing your precious knowledge.

We would be highly honored if you can spare time from your busy schedule for the sake of students.

Looking forward for your approval.

Thanking you Sir,

Yours Sincerely

A Report on Seminar

"Recent Trends and Technologies For Innovations"

The program was started sharp at 11:00am and was initiated by the head of the Department of Electrical & Electronics Engineering, **Dr. Shaik Rafi Kiran HOD**. Addressing the guests, faculties and large gathering of students, he emphasized the need for engineers to be persons of good knowledge and character, so as to serve the society in an honest manner.

Dr.N.R.Shanker , the resource person who is currently working as **CEO Chase Technologies**, discussed the elements of A.C circuits and its importance. In his presentation, he demonstrated the same with a case study and concluded the present Scenario of Transmission system and he also added that our future power system needs changes that can be possible with intelligence of a technically skilled person who is currently a continuous learner with updated information.

The students and staff are participated actively in the event. Some of the questions posed by the student community are very impressive and it reflected their minds are ready to invoke any type of challenges.

Finally the guest is honored with a memorandum on behalf of SV Engineering College. The Coordinator of the seminar has encapsulated the outcome of the event and concluded the seminar with a vote of thanks.

Sub: Request to conduct a Seminar on “Industrial Based Electrical Design and Modelling in 2D and3D” -Reg

Dear Sir,

We would like to take this opportunity to invite you as a speaker to conduct Seminar on “Industrial Based Electrical Design and Modelling in 2D and3D” in Department of II &III-EEE on 12-07-2019.

To strengthen our student's fundamentals& to develop their exposure to the practical world outside, we need people like you to interact with our students, thereby sharing your precious knowledge.

We would be highly honored if you can spare time from your busy schedule for the sake of students.

Looking forward for your approval.

Thanking you Sir,

Yours Sincerely

Dr. Shaik Rafi Kiran

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

A Report on Seminar

"Industrial Based Electrical Design and Modelling in 2D and3D"

The program was started sharp at 11:00am and was initiated by the head of the Department of Electrical & Electronics Engineering, **Dr. Shaik Rafi Kiran HOD**. Addressing the guests, faculties and large gathering of students, he emphasized the need for engineers to be persons of good knowledge and character, so as to serve the society in an honest manner.

Mr.Arul Anand , the resource person who is currently working as **Head Design** Alpha CADD solutions, discussed the Industrial Based Electrical Design and Modelling in 2D and3D. In his presentation, he demonstrated the same with a case study and concluded the present Scenario of 2D and3D ,he also added that our future power system needs changes that can be possible with intelligence of a technically skilled person who is currently a continuous learner with updated information.

The students and staff are participated actively in the event. Some of the questions posed by the student community are very impressive and it reflected their minds are ready to invoke any type of challenges.

Finally the guest is honored with a memorandum on behalf of SV Engineering College. The Coordinator of the seminar has encapsulated the outcome of the event and concluded the seminar with a vote of thanks.
